

## Double Album Soundtrack Release

Now Available!

**Lisa Gerrard** and **Marcello De Francisci** are proud to announce the launch of two of their newest film scores to celebrate the release of the movies *Insight* and *Oranges and Sunshine*!

**Insight** is a murder mystery / psychological thriller based on a story of a woman in search for the truth about a victim's death. The film guarantees to have the viewers gripped to their seats. *Insight's* feature actors are Sean Patrick Flanery, Natalie Zea and Christopher Lloyd. The score was co-composed by **Lisa** and **Marcello** and recorded, produced and mixed in Los Angeles.

### Insight's Plot:

The story unravels as Flanery plays a detective who is trying to find a killer, while Zea plays the role of Kaitlyn, a night nurse with a mission to seek the truth about a young girl's murder. Kaitlyn experiences an extrasensory event as the victim dies in her emergency room leaving her marked subject to a defibrillator, which possibly gives Kaitlyn psychic insight into the killer's identity. The final moments of this film surely deliver an unseen emotional punch.

*Insight's* theatrical release was on September 2<sup>nd</sup> across the US.

**Marcello** shares with us some thoughts on working with Lisa and the joy they have had creating the *Insight* score:

*I have had the gift of an extraordinary presence in my life for the last three years dating back towards the middle of 2008. Collaborating and having close proximity to such a unique artist has enabled me to grow and develop the many facets of being a*

*a film composer. Lisa Gerrard is a generous and an adept mentor whose talent has touched millions. Her patience and strength moreover devotion to the work, have been an inspiration to me and a priceless gift to many. This has been an exciting time as this soundtrack marks one of the first official Hollywood movies, which we have scored together. Scoring this film has presented us the opportunity to search within and unravel many psychological layers, taking us on a journey we hope listeners will enjoy.*

The MP3 album available on [Lisa's site](#) includes high quality cover artwork and a digital booklet. For more information on the movie, visit the official site [here](#).

**Oranges & Sunshine** tells the story of Margaret Humphreys, a social worker from Nottingham, who uncovered one of the most significant social scandals in recent times: the organized deportation of children in care from the United Kingdom to Australia.

Almost single-handedly, against overwhelming odds and with little regard for her own well-being, Margaret reunited thousands of families, brought authorities to account and worldwide attention to an extraordinary miscarriage of justice.

Directed by Jim Loach and scored by **Lisa** with additional music by **Marcello**, Oranges and Sunshine has been released to critical acclaim across the world. You can view the official website [here](#) and purchase the official soundtrack album from [Lisa's store](#).

Both MP3 albums will shortly be made available on CD Baby, iTunes and their affiliate distributors. For those who cannot wait we invite you to purchase both albums from **Lisa's** official store directly.

We thank you the fans for your continuous support. Stay tuned for more updates.
